TERMS AND CONDITIONS

This promotional program is valid for any order that Quantum receives through March 31, 2018 that meets the following conditions:

This program applies to drives purchased for a Scalar i6, Scalar i500, Scalar i6000, AEL6, AEL500, and AEL6000, including upgrades to an existing system and drives purchased with a new system.

For every LTO-7 drive purchased, Quantum will credit the cost of 20 pre-labeled Quantum LTO-7 tapes.

A discount will be applied to the drive price, equivalent to the price of up to 20 pre-labeled Quantum LTO-7 tapes.

If the customer orders fewer than 20 tapes, then the drive price will be reduced by the corresponding value of tapes purchased.

Customers may purchase more than 20 tapes per drive, and the credit applied will be limited to a maximum of 20 for each drive purchased.

The discount must be taken off the drive price and purchase orders cannot include any media at a \$0 price.

This program can stack with the "Free Advanced Reporting and EDLM Licensing When Quantum Media is Purchased with New Scalar Libraries" Program—the free tapes can apply to the media purchase requirement of the "Free Advanced Reporting and EDLM Licensing" program.

This program does not stack with special pricing.

Quantum reserves the right to cancel or alter this program without prior notice.

Other terms and conditions may apply.
